March 20-60.

Dear Allen, During my entire
period of working at O.S.S
through Strategic Services & ~~there~~ up to
'48 I kept a clipping series
of all newspaper & magazine
articles on the subject of
Intelligence & its evolution & the
attitudes toward it here -

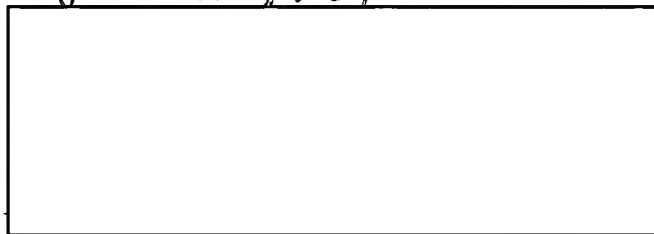

In clearing out my files
it occurred to me that
instead of consigning these
scrap books to the fire -

Find them if you interest
